

Hello Foundation Family,

Check it out! For our first ever **Giving Minute**, we have updates on how your contributions helped county families receive emergency relief, healthy meal boxes, backpacks, and more ♥ ...

We wish to extend a huge thank you to Samaritan House, Golden Gate Harley Owners Group, and SAGA Foundation for all their support throughout the year. It's amazing to see how the Foundation Supporter Family has grown.

On October 1st 12-4 PM, you can meet many members of our giving community at our **2nd Annual Taste of the County** food and entertainment festival. Now through the end of July use the 15% early bird discount on tickets - don't miss out!

Best Wishes,

San Mateo County Health Foundation Team
